

Wyndham Worldwide Honors Wyndham Lake Buena Vista Disney Springs™ for Excellence

For Immediate Release:

[Lake Buena Vista, FL. April 12, 2017] – The Wyndham Lake Buena Vista Disney Springs™, an official Walt Disney World Resort Hotel, today received the Award for being a “Best of Wyndham Hotels”. This prestigious honor recognizes Excellence within the Wyndham Brand.

“This is an incredible award for our team, and a direct result of our guest service commitment and ‘can do’ culture” said Jay Leonard, General Manager of the Wyndham LBV Disney Springs™ Resort. “I am equally proud of our recent introduction of the Wyndham Garden Lake Buena Vista. Our Wyndham Garden is connected to the Wyndham, located on the same acreage and shares all the same amenities as the upscale 19-story tower at even more value-minded price.”

The [Wyndham Garden Lake Buena Vista Springs](#), has become a favorite of Wyndham Rewards members and includes 394 guestroom accommodations comprising 330 rooms with two double beds and 64 rooms with one king bed.

Both Wyndham properties are Official Walt Disney World® Hotels, located in the Walt Disney World® Resort. As such, continuous shuttle service to all four Walt Disney World® Theme Parks is available. A Disney Character Breakfast is featured three days a week, and an on-site Disney Store is offered for those seeking souvenirs and Disney Theme Park tickets. Walt Disney World® Theme Park admissions can also be purchased online through the hotel website or by visiting the Guest Services Desk in the tower lobby.

Guests of each hotel have plenty of activities to enjoy at the resort. The Oasis Aquatic Pool Playground features two pools with many interactive water attractions for children, a hot tub and an abundant amount of space to stretch out in the Florida sun. The Oasis Bar & Grill, located poolside, is perfect for cooling off and refueling for the next adventure. The resort also offers a state-of-the-art fitness center, along with tennis, basketball and sand volleyball courts.

With the recent re-imagining of the 12,000-square foot grand ballroom in the tower, a \$10 million-dollar renovation was completed, giving the resort a total of 21 function rooms and a total of 25,000 square feet of meeting space ideal for corporate travelers, groups and associations.

The 19-story Wyndham Lake Buena Vista Disney Springs tower features 232 guestroom accommodations, including seven parlor suites, 42 rooms with one king bed and 183 rooms with two queen beds.

A lake house retreat concept ties together the tower’s redesign while lobby space is energized with a fresh, neutral color palette accented by vibrant turquoise and pops of chartreuse. Distressed wood paneling, white granite, custom wood screens and bead board paneling are a few of the finish details that are now incorporated into the lobby. The concept extends throughout the public spaces – from Sundial Café to the Eclipse Lobby Lounge to the Lakeview Restaurant.

The textures and patterns selected for the tower guest rooms and suites are reminiscent of those found in nature. Custom case goods and lighting, plush seating in neutral-toned upholstery fabrics, luxurious pillow-top bedding and modern bathroom fixtures are all just part of the numerous upgrades to the hotel.

Both Wyndham hotels are adjacent to Lake Buena Vista and have gorgeous water views. The guest rooms and suites in the tower offer guests a true sanctuary with generously appointed accommodations and all the amenities that could be found in a Central Florida vacation lake house.
